In the event that you no longer wish to keep your dog, we require that you phone us immediately. Unless we state otherwise, the dog is to be returned to us, regardless of age or reason. Never to be put down without approval. If you have arranged another home for the dog, we still require the dog be returned to us. The family then considering the dog can immediately contract us about receiving the dog. We require this be done because, with the personality of this breed of dog, any change of hands is traumatic for the dog. We have found that returning them to the person that raised them from birth, and to their mother, helps this transition to be less painful.

Regardless of the reason for return, we will not, under any circumstances, refund any money paid for the dog.

However, we will not charge you for their care and resale unless we deem the reasons to be unreasonable or due to an issue we feel you could safely resolve on your own. If the dog is returned do to innate temperament problems and a proper adjustment period has been given for a new dog/pup, no money will be required. If the puppy is being returned due to a bad purchase decision on your part, we will require a minimum a \$50.00 fee and maximum \$1500.00

If, upon examination, the dog is found to be unhealthy, we require that you pay at least half of the vet bills for her/his care.

If it is found that the dog was sold, or given away, or taken to the humane society or to a rescue, a fine no less then \$500.00 will immediately be enforced.
